WHOLE-PERSON DEVELOPMENT

The school sees great importance in supporting students' whole-person development by:

Arranging art workshops, instrumental classes, debate, speech and drama training with the purpose of extending students' learning beyond the classroom;

Providing plenty of inter-school activities such as student-exchange programmes;

Encouraging students to take part in inter-school and international competitions such as Inter-School Sports Competitions, Music Festival, Speech Contests, Mathematics / Physics / Biology Olympiad, debating and STEAM competitions;

Encouraging students to participate in study trips and different international youth exchange programmes in order to become global, independent and intelligent learners;

Offering a Mentorship Programme to provide S5 Josephians with real-life working experiences, including job-shadowing mentors from various fields such as architecture, finance, law, marketing and medicine;

Implementing national education and value education to help students develop a strong sense of identity, civic awareness and positive personal values.

MESSAGE FROM OUR SUPERVISOR

Brother Jeffrey Chan, FSC

St. Joseph's College is part of an international organisation – The Brothers of the Christian Schools. Students from SJC are automatically connected with the Lasallian institutions throughout the world. In Hong Kong, we have eight schools that are run by the Brothers and SJC is the pioneer school.

In SJC, we are not only preparing students to excel academically, but we are also nurturing future leaders with a big heart for the less fortunate in society. Students here are constantly reminded to make full use of the talents God has given them for the good of humanity.

We invite you to join our family to help to make this world a better place – Enter to Learn. Leave to Serve.

MESSAGE FROM OUR PRINCIPAL

Mr. Kwok Tik-man

Established in 1875 as the first Lasallian School in Hong Kong, St. Joseph's College is committed to all-round education and whole-person development rooted in strong Catholic values. This dedication has ensured that SJC remains as one of the distinguished schools in the territory.

Our students not only excel academically but also grow into responsible and compassionate individuals. The remarkable achievements of our distinguished alumni, including Nobel Laureate Sir Professor Charles Kao, truly reflect the values we instil at SJC. Alumni's dedication to support their alma mater continues to inspire young Josephians to excel in every aspect of their school life.

We prioritize offering our students a joyful and enriched school experience. Supported by our professional staff, students develop in multiple dimensions – academically, athletically, artistically, spiritually, and socially. Under the recent school redevelopment project, enhanced facilities ensure that our students have access to the best resources, making SJC a true home away from home.

Guided by our school motto "Labour and Virtue", I am confident that our students will continue to flourish in the future. We look forward to welcoming you into the Josephian Family.

from generations to generations 150 YEARS OF LEGACIES
